<sup>1</sup> For a complete list of brands that accept/use the VPowered Multi Media Player on their website please consult your Sales Consultant or Customer Success Representative.

<sup>2</sup> Available in Q3 2011

<sup>3</sup> VBrochure is designed for in-player media management. There may be additional features available for media management outside of the player through your brand's VScape license.

<sup>4</sup> Applies to all media that is not in syndication to VNetwork. Additional storage subject to storage fee.
